

St. James

VBS

July 23-26, 2018

9:00-12:15

CHILDREN AGES 4- 10 are invited to learn that Jesus is always there to rescue us!

TIME: 9:00 -12:15 Snack will be provided. Feel free to watch our opening and closing assemblies each day.

COST: \$50 per child. This includes our Shipwrecked Songs and a T-shirt for each child.

FUN WITH FRIENDS: Many children love to be grouped with a friend at VBS. Please indicate **ONE** friend attending VBS on the space provided to assure they will be together. Making new friends is also a wonderful part of VBS!

CONCERNS: If your child has food allergies or other concerns which may impact their time at VBS, please write a note on the registration form. Feel free to use the back.

VOLUNTEERING: We encourage parents to come and play at Maker Fun Factory as station helpers or crew leaders. *Adult full week volunteers will receive a T-shirt and may **register one child free!*** Toddler care is available upon request.

If your time is limited, please consider helping with set up or take down.

Protecting God's Children workshop is required for volunteers. See registration form.

CREW LEADERS: Crew Leaders are volunteers who, with a partner, lead a group of 10 campers through their four days at VBS. This is a rewarding experience as you get to know the children and experience the faith and fun with them. See the Registration Form for this and other volunteer options.

YOUTH VOLUNTEERS who have completed grades 7 and up are accepted on a first come, first served basis. Youth volunteers must attend a training session on Sunday, July 22rd from 10:30-11:30 and be at VBS July 23-26 from 8:30-12:30. We only need 50 youth volunteers so teens should submit their forms, along with the teen background form as soon as possible.

REGISTER NOW! Parish Registration begins April 1. Open registration begins May 1.

Space is Limited! Please submit your registration form, a check made out to St. James Church and a background check if you plan to volunteer. Last year we filled up by May 15 so don't delay!
